PERSONAL TESTIMONY DEVELOPMENT FORM

(1-2) Minutes for sharing. *By participating you release and authorize the use all media recorded.

Date scheduled to share your testimony _____

- Write out your personal testimony.
- Read it out loud several times before sharing in class.
- The goal is to memorize it and be ready to share it as part of a conversation anytime.

This approach is based on the Apostle Paul giving his testimonial in Acts 26

1) Start by sharing your concept about God before receiving Jesus Christ

Note: Many times you can get a conversation started with someone by asking them a question first like: Everyone has an idea about God, what's your concept on God? Whatever their reply you can reply back with "I heard about God as a kid but then..."

(Here you want to describe your concept of God because in your personal testimony you're moving from one concept about God to really **knowing God** through Jesus Christ, also in this part you share just a little bit of info to get going)

Recording video: Open by stating your first and last name

Example: Before I became a Christian my concept of God was...

2) Tell what happened that caused you to ask the Lord into your life:

Briefly share the circumstances that led you to receive Christ and how it happened.

Example: The turning point for me was... **Example:** I prayed and Jesus came into my life...

3) Describe what Jesus has done for you:

Example: Since receiving Jesus as Lord of my life I now have a relationship with God that is real and know He loves me. I know all my sins have been forgiven through Jesus...

Example: After receiving Jesus I no longer have any fear of death and I have found God's purpose for my life...

4) Encourage your listeners to receive Christ:

If your listener is ready, offer to pray with them to receive Christ. However, you may want to walk them down the Romans Road briefly sharing the Gospel from the Word of God if they do not understand about salvation.

Example: Do you understand that Jesus died on the cross to pay for all of our sins and was raised from the dead to be our Savior?

Example: If you died today do you know for sure that you would go to Heaven? You can know for sure, let me show you...(Take them down the Romans Road to Salvation)

Note: Instructions on how to explain the Gospel using the Romans Road and lead someone in prayer to receive Jesus as Lord is found on the developing preachers website:

Video Recording: share the name of the church you attend and invite viewers to attend. No need to give addresses and service times as this info will be right next to your video on the web page.
